

Goliad Brewing is available for Private events during “Non-Beer Garden Hours”. Let us host your next birthday, anniversary, baby shower or corporate event. Our facility sits on about 50 acres of land just north of the historic town of Goliad, Texas. Our Beer Garden is beautifully manicured with large oak trees providing lots of shade, lighting and a full sound-system. The stage is perfect for live performances and a screen backdrop is available for movies and video presentations.
